The school photographer will be in school on Thursday 18th October. The photographer will be available before school for family groups. If you wish to bring siblings from another school or younger siblings please make an appointment with the school office. Siblings within school do not need to make a separate appointment.

School Maintenance Fund

As a Catholic school we operate a Governors' Maintenance Fund that enables us to plan for improvements and developments to the school premises. We ask parents to contribute £18 per family per year, this can be made either online through the school gateway or by sending cash or a cheque (made payable to Our Lady and St Joseph's building fund) or by sending half termly instalments of £3. We are very grateful to all our families who make a contribution.

DASH – Daily Activity promoting Sport and Health

The health and wellbeing of our pupils is very important to us and in line with recommendations, we have introduced our DASH initiative. For ten minutes from 1pm all pupils will run, or walk quickly, laps of the field, continue playing organised sport or take part in playground activities. There is a focus on engaging all pupils to do their best, have fun and improve their health and fitness.
