### **eSafety**

We have dealt with a number of incidents in school recently stemming from children's use of social media. These links contain important and useful information for parents and carers including age restrictions, privacy settings and potential pitfalls. Please be vigilant in monitoring your child's online activity.

### Once a week take a peek

We have been informed of head lice again in school. Head lice are really hard to clear from a class/school unless parent/carer's check hair on a regular basis. Information from the school nurse is to use conditioner and comb through the hair with a nit comb (try to buy a white comb as the nits are more easily seen). Some pharmacies stock detection combs. One type (Bug Buster® detection comb) is also available on prescription. You can also get them by mail order from: Community Hygiene Concern Tel: 01908 561928 Web: [www.nits.net](http://www.nits.net).

### Medicines

Please note that if parents request that school administer medicines such as Calpol that they need to provide either a bottle or sachets.

### Next Week's Dinner menu

Please ensure that on a Monday morning your child's dinner money is sent in a named envelope and given to your child to hand in to their teacher. Any change will be sent back to your child on the same day. Please avoid calling into the office to pay dinner/trip money.
