Cyber bullying

The following are some things that parents may wish to consider teaching their children about using the internet safely:

- Make sure you use the privacy settings.
- Always respect others – be careful what you say online.
- Be careful what pictures or videos you upload. Once a picture is shared online it cannot be taken back.
- Only add people you know and trust to friends/followers lists online. When talking to strangers, keep your personal information safe and location hidden.
- Treat your password like your toothbrush – keep it to yourself and change it regularly.
- Block the bully – learn how to block or report someone who is behaving badly.
- Do not retaliate or reply to offending e-mails, text messages or online conversations.
- Save the evidence. Always keep a copy of offending e-mails, text messages or a screen grab of online conversations and pass to a parent, a carer or a teacher.
- Make sure you tell an adult you trust, for example, a parent, a carer or a teacher.

PTA report

The PTA met on Tuesday evening to plan our American themed Family Fun Day on Tuesday 4th July. We had a brief report on how the children from F2 and KS1 enjoyed their visit to see *Fantastic Mr Fox*, which we supported by contributing to the cost of the transport. Hoodies for our Y6 leavers have just been ordered and will be presented to them at their Leavers' Assembly.
