Reading Books

Thank you to all those who have returned school reading books that children took home before lockdown. We are still very short of Read Write Inc home reading books. You will appreciate that books are a significant investment at school so we ask that any books still at home could be returned as soon as possible. Thank you!

As a school, we are following DfE guidelines with regard to children displaying any symptoms of COVID19. The guidelines state...

If anyone in the school becomes unwell with a new and persistent cough or a high temperature, or has a loss of or change in, their normal sense of taste or smell (anosmia), they must be sent home and advised to follow guidance for households with possible or confirmed coronavirus (COVID-19) infection, which sets out that they should self-isolate for at least 10 days and should arrange to have a test to see if they have coronavirus (COVID-19). Other members of their household (including any siblings) should self-isolate for 14 days from when the symptomatic person first had symptoms.

These guidelines would also apply if your child became unwell with any of the same symptoms at home. Thank you for your continued support.
