School Day

During the ongoing COVID19 crisis our school day has had to be changed on a number of occasions and Government guidance still states that times should be staggered to avoid large gatherings. However, we hope that by September we will be in a position to have fixed, permanent timings. We will therefore be consulting with parents and carers regarding the timings of the day this term using an online questionnaire. You will be sent a link to the questionnaire today. Please take the time to respond so that we can make decisions based on information from as many families as possible. Breakfast Club will continue and we are currently recruiting for positions to run After School provision in addition to this.

The current timings will remain in place for the rest of this term, subject to Government guidance.

Parents' Evening Reminder

Parents' Evening will be virtual via Schoolcloud next week on Monday and Tuesday

You should have received the full Parents' Guide to using School cloud including booking and attending your appointment with the last newsletter.

This is a brand new system and F1 parents and carers were able to access appointments successfully with only a small number of initial glitches. We are therefore confident that it will be an efficient and effective way to communicate with parents and carers.

Quiet Garden

Year 4 have worked hard during lunchtimes and Forest School to clear an area of our school grounds that had become unused and overgrown. It is now a quiet garden with additions to encourage bird and insect life. Make sure you take a look as you leave school via the KS2 gate. It is now a great addition to our school grounds, which we are continually developing.

Play Equipment

We are absolutely delighted with the new play equipment on the KS2 playground and it is already in constant use. This was an extremely generous donation from one of our parents whose company provides this and similar equipment to a wide range of clients. Thank you so much! This will provide our pupils endless enjoyment and help to keep them physically active.

Attendance this week: 97%

Jess Cup

This week's winner was Charlotte Finch. She is a wonderful role model of our school values and makes an excellent contribution to school life. Well done!

Mini Vinnies and Foodbank Friday

Our Foodbank Friday collections will continue this term, organised by our Mini Vinnie group. Thank you for your continuing generosity.

School Lunches

This is the school menu for this half term. We are currently reviewing menu and lunchtime arrangements with a view to the DfE Food for Life programme and regard for the environment and we will keep you upto date with progress.
