ROTHERHAM HEALTHY HOLIDAYS

Rotherham Council has partnered with a range of organisations across the borough to deliver holiday activity programmes ranging from football and swimming to dance and computers and much, much more. Each session includes a meal.

FREE places are available for eligible children, including those who receive benefits-related free school meals who can collect their unique reference number from school to access their free place. Some of our providers offer good value paid places as well.

Any activities taking place in a school, are open to all children, not just their own pupils.

To find out more or book a place for your child, please contact the providers directly.
